Date: 14th August, 2018

RE: PAYMENT OF OUTSTANDING FEES

The Senate at its 106th regular meeting held on **Wednesday, 8th August, 2018** considered the issue of students who were prevented from writing the 2017/2018 second semester examinations due to non-payment of complete fees.

The Senate decided that:

1. Examinations will be re-scheduled for students who paid mid-way into the 2nd semester examinations.
2. Students who have still not paid, may do so before **15th September**, in order to take advantage of the Senate's magnanimity.

Please note that only students who show evidence of payment shall be allowed to sit for the said examinations.
